Vincent Swift, Club President

The obverse is a photocopy of a Black & White print from a wood engraving by French artist August Lepère. A hand-written narrative on the reverse of the print reads:

A. Lepère 1885 - Paris

Inauguration sur la place des États Unis de la statue de la Liberté éclairant le monde

Offert a la ville de Paris par les Americaines

Reduction du monument colossal de M Bartholdi offert par L’Amerique a la France

Gravé par A Lepère, Beltrand, Dété & Floriah

Approximate translation:

Inauguration at the Plaza of the United States of the Statue of Liberty Enlightening the World

A gift to the city of Paris from the Americans

Reduced version of the colossal monument of Mr. Bartholdi for America from France

Engraved by A Lepère, Beltrand, Dété & Floriah

The statue depicted in the print is a ¼ size reproduction of The Statue of Liberty and was presented by the American community in Paris to the City of Paris in 1885 to honor the 100th anniversary of the storming of the Bastille Prison (Bastille Day). The dedication location, accurately depicted in the print, is Place des États-Unis (Plaza of the United States) in Paris. The statue is now located on the Île aux Cygnes (Isle of the Swans) in the Seine River in Paris, France. Liberty’s tablet contains two dates:

IV JUILLET 1776	4 July 1776	America Declares Independence
XIV JUILLET 1789	14 July 1789	Storming of the Bastille Prison

The print was donated, October 2015, to the Musée Bartholdi (Bartholdi Museum) in Colmar France by Vincent Swift President, The Statue of Liberty Club
